

What Do You Think?

Village Garage Concepts

Special Board for a Comprehensive Plan/LWRP
May 14, 2011- Community Workshop

These concepts envision a landscaped promenade, a possible meeting hall or small inn or housing. One concept includes a bicycle/footpath from the site along the tracks to Little Stony Point. What do you think are the:

Strengths of any of these concepts?

- Draw residents + visitors to river
- * Reclaims one of CS's precious waterfront areas!!

Weaknesses of any of these concepts?

- Inn/hotel needs to prove financial sustainability

Opportunities presented by any of these concepts?

- connecting trainway to Little Stony Point and/or Dockside

Do you have any concerns about any of these concepts?
