

**Minutes of Recreation Commission**  
**July 2014**

Meeting started @ 7pm

Present, Jeff Phillips chairman, Francis Murphy, Steve Etta, Mike Chefalo and from PCNR, Dennis Mazzuca.

Approved Haldane's use of Mayor's field for summer practice.

Approved tentatively, Knights of Columbus wishing to use Mayor's Park or bandstand for Oktoberfest. Please see notes.

I reported on attending Fjord trail meeting with trustee Catherine Fadde. Also, meeting with town supervisor Richard Shea, with site engineer/architect Ron Gainer. Outcome was simple and quick, re-working of drawings and no work performed until Recreation Commission reviews new layout. Very productive discussion. Awaiting new drawings. The topic of the final member appointment was that we were all in agreement that it should be reposted and that we, the current commission, could hold our own interviews to help VCS Board. Reposting we feel, should be done due to the amount of applications withdrawn. We were in agreement that people were somewhat discouraged and possibly withdrew due to none commitment of the board to pick from candidates which were sent up to them.

Meeting concluded.

Jeff Phillips, Chair
