

TREE ADVISORY BOARD
VILLAGE OF COLD SPRING

MEMBERS: TONY BARDES; CHARLES DAY; KORY RIESTERER; GORDON ROBERTSON; JENNIFER ZWARICH

12/15/2016
MEETING MINUTES

No public meeting was held in December.

Instead on 12/15/2016 members of the Tree Advisory Board and Highway Department attended a half-day workshop entitled "Managing Street Trees: What You Should Know For Success" at the Westchester County Center in White Plains. The workshop was a joint initiative of Cornell University Cooperative Extension and the Westchester County Department of Planning and Soil and Water Conservation District.
